*Memorandum regarding the probable amount of monsoon rainfall in 1964*

Previous weather conditions over certain parts of the world enable us to form an estimate, within somewhat wide limits, of the monsoon rainfall of India during the period June to September. These predictions aim to pass a statistical test of 80 per cent. success, in other words aim at being correct four times out of five on the average over a long series of years.

The data used are given in section 2 below; these are followed by notes on the relevant inferences that may be drawn from them.

**2. Data**

*Java*—The monthly rainfall departures from October 1963 to February 1964 were —75%, —55%, —11%, —45% and —23% respectively.

*Equatorial Pressure*—Pressure was in defect by 1.3 mb. at Port Darwin in March to May, by 1.2 mb. at Seychelles in February and March and by 0.4 mb. at Djakarta from January to April.

*South Rhodesia*—Rainfall from October 1963 to April 1964 was in defect by 231.4 mm.

*South America*—Pressure departures were as follows :—

<i>Buenos Aires</i>	<i>Cordoba</i>	<i>Santiago</i>
---------------------	----------------	-----------------

April and May 1964	+4.7 mb.	+1.2 mb.	+0.4 mb.
--------------------	----------	----------	----------

*Upper winds in m.p.s.*—Bangalore, April, 6 km.—The northerly component was +3.9.

Calcutta, May—The easterly component was —8.3 at 4 km. and —4.4 at 2 km.

Gwalior, March, 2 km.—The easterly component was —6.6.

**3. Inferences from the Information**

*For the Peninsula*—taken to consist of Maharashtra, Gujarat, Madhya Pradesh, Telangana, Interior Mysore North, Coastal Andhra Pradesh and Coastal Mysore (excluding South Kanara)—the available factors found to be of most importance are, in the order of decreasing reliability, Bangalore upper winds, Java Rain, Calcutta upper winds, South Rhodesia rain and South American pressure. Of the factors, South American pressure, Java Rain, South Rhodesia Rain, and Bangalore winds are all very favourable while Calcutta upper winds are unfavourable. The statistical analysis indicates that there is a four to one chance that the monsoon rainfall in the Peninsula during June to September 1964 will be above 112% of the normal rainfall.

*For Northwest India*—taken to consist of Jammu and Kashmir, West Uttar Pradesh, Punjab (India), Himachal Pradesh, Delhi and Rajasthan—the factors used are, in the order of decreasing reliability, Equatorial pressure, Gwalior upper winds, Calcutta upper winds, South Rhodesia rain and South American pressure. Of these, Equatorial pressure, South Rhodesia rain, Calcutta upper winds and South American pressure are very favourable while Gwalior upper winds are indifferent. The statistical analysis indicates that there is a four to one chance that the monsoon rainfall in Northwest India during June to September 1964 will be above 117% of the normal rainfall.

**4. Summary of Forecast**

The monsoon rainfall during June to September 1964 is likely to be slightly above normal both in the Peninsula and in Northwest India.

Applications from all other candidates, whether in private employment or in Government owned industrial undertakings or other similar organisations, can be entertained direct. If such a candidate forwards his application through his employer and it reaches the Union Public Service Commission late, the application, even if submitted to the employer before the closing date, will not be entertained.

A candidate employed in Army, Navy or Air Force must submit his application through his Commanding Officer who will complete the endorsement (*vide* Section 'C' of the application form) and forward it to the Commission.

No application received by the Commission after the date prescribed in the Notice will be accepted.

3. Candidates are warned that they should not furnish any particulars that are false or suppress any material information in filling in the application form.

4. A candidate must send the following documents with his application :—

- (i) A Treasury Receipt or CROSSED Indian Postal Orders payable to the Secretary, Union Public Service Commission at New Delhi Post Office, for Rs. 37.50 nP. (Rs. 9.37 nP. in the case of

candidates belonging to the Scheduled Castes or Scheduled Tribes), but candidates who obtain application forms etc. from the Union Public Service Commission on payment of Re. 1.00 nP. need send only Rs. 36.50 nP. (Rs. 8.37 nP. in the case of candidates belonging to the Scheduled Castes or Scheduled Tribes).

- (ii) A certificate of age.
- (iii) A certificate of Educational Qualification.
- (iv) Two copies of recent passport size (2"×2½" approx.) photograph of the candidate.
- (v) A certificate to be signed by the Parent/Guardian of a minor candidate.

Details of the documents mentioned in items (i), (ii), (iii), (iv) and (v) are given below :—

(i) **A Treasury Receipt or CROSSED Indian Postal Orders for the prescribed fee.**—The amount may be deposited in the nearest Government Treasury, or in a branch of the State Bank of India or in a State Treasury authorised to transact business on behalf of Government. (Amount deposited in Bombay, Calcutta, Delhi, or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India.) The Treasury or Bank should be asked to credit it to the account head "XXI—Miscellaneous Department, Examination fees—Receipts of the Union Public Service Commission". The name of the examination and of the treasury at which the fee is deposited should be clearly entered in the treasury receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited. If, however, the blue form is not available in the treasury the ordinary form hitherto employed should be used.

All Postal Orders should bear the signature of the issuing Post Master and a clear stamp of the issuing Post Office. All Postal Orders should be CROSSED and filled in as follows :—

"Pay to the Secretary, Union Public Service Commission, at New Delhi Post Office."

In no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

**NOTE 1.**—Candidates residing abroad at the time of submitting their applications should deposit the amount of the prescribed fee (the equivalent fee of Rs. 37.50 nP.; 9.37 nP. in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes) in the Office of India's High Commissioner, Ambassador or Representative, as the case may be, in that country and forward the receipt from that office with the application.

**NOTE 2.**—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED.

**NOTE 3.**—A candidate must send the Treasury Receipt, in original, along with his application. Duplicate/triplicate copies of the Treasury Receipt will not be accepted.

(ii) **A Certificate of age.**—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression 'Matriculation Certificate' in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of the page containing entries relating to age only.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

(ii) **A Certificate of Educational Qualification.**—A candidate must submit a certificate or diploma, in original, with a copy thereof, showing that he has one of the qualifications prescribed in paragraph 8 of the Notification. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—A candidate who has appeared at an examination the passing of which would render him eligible to appear at this examination but has not been informed of the result may apply for admission to the examination. A candidate who intends to appear at such a qualifying examination may also apply. Such a candidate will be admitted to this examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if he does not produce proof of having passed the examination as soon as possible, and in any case not later than 30th June 1965.

(iv) **Two Copies of Photograph.**—A candidate must submit two passport size (2"×2½" approx.) copies of his recent photograph one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front by the candidate.

(v) **CERTIFICATE TO BE SIGNED BY THE PARENT/GUARDIAN OF A MINOR CANDIDATE.**—A candidate who is minor should submit this certificate on the form enclosed with the application form, duly completed, by his parent/Guardian, alongwith the application. If this certificate cannot be submitted with the application, a reasonable explanation for its absence must be given with the application and the same must be submitted to the Commission as soon as possible, and in any case not later than one month after the last date for receipt of applications (cf. paragraph 5 of the Notice).

*The candidates are warned that they should in no case delay submission of the application for want of this certificate.*

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii), 4(iv) and 4(v) above without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. The documents not submitted with the application but explanation for the absence of which has been given, should be sent soon after the submission of the application, and in any case they must reach the Commission's office [except as provided for in Note under paragraph 4(iii) and in para 4(v) above] one month before the date of commencement of the examination. Otherwise, his application is liable to be rejected.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them nor should they submit a tampered document. If there is any inaccuracy or any discrepancy between two or more such documents, an explanation regarding the discrepancy may be submitted separately.

5. Candidates may be required at the interview by the Services Selection Board to produce the original of any documents, copies of which have been submitted.

LG116GI/64

6. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate, in original, with a copy thereof, in the form given below from the District Officer or the Sub-Divisional Officer or any other officer of the district in which his parents (or surviving parent) ordinarily reside, who has been designated by the State Government as competent to issue such a certificate; if both his parents are dead, of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.
